

Dear Community Friends and Businesses,

We're excited to connect with you on behalf of Oso Grande Elementary School. Strong schools are the foundation of strong communities, and we invite you to be part of building a brighter future for our students. Your involvement—whether through partnership, support, or simply spreading the word—makes a meaningful difference.

Today, we are reaching out to ask for your support in participating in Oso Grande Elementary's annual Grizzly Fun Run! Oso Grande is a TK-5 elementary school in Ladera Ranch and the largest elementary school in the Capistrano Unified district. We serve almost 900 students. The annual Fun Run is our biggest school fundraiser and will be held **Friday, October 9, 2026**. We are actively seeking local business sponsors and partners for this event. All funds raised will directly support our students by funding many of our PTA programs throughout the school year.

Some of the amazing programs that rely on generous donations include:

ARTS AND SERVICES	SOCIAL-EMOTIONAL LEARNING-WELLNESS
PHYSICAL EDUCATION	CLASSROOM TECH APPLICATIONS
SAFETY INITIATIVES	LIBRARY RESOURCES
ASSESEMBLIES AND FIELD TRIPS	STUDENT ENGAGEMENT EVENTS

There are multiple levels of sponsorship opportunities for our 2026 Fun Run. Each donation level supports Oso Grande, while providing you an opportunity to market your business/service. To highlight and recognize our sponsors, we will be utilizing Oso Grande PTA's social media platforms, website, weekly newsletter, the school's digital marquee, as well as outdoor signs and banners! We encourage you to select the sponsorship that best meets your goals for reaching the community. **To become a sponsor, please [CLICK HERE](#).**

All donations are tax deductible. Feel free to contact our Fun Run committee with any questions - waysandmeans@osograndepta.com.

Thank you very much for your support of Oso Grande's Grizzly Fun Run. We look forward to hearing from you and having YOU as a community partner.

Sincerely,
Rania Mesri and Irene Osiecki
